

A Division of Australian Wool Testing Authority Limited

A.B.N. 43 006 014 106 Laboratory: 1st Floor, 191 Racecourse Rd, Flemington, Victoria 3031 P.O. Box 240 Nth Melbourne 3051 Tel: (03) 9371 2400 Fax: (03) 9371 2499 Website: www.awtaproducttesting.com.au Email: producttesting@awta.com.au

#### **Group Number Assessment**

(in accordance with AS 5637.1-2015)

Number: 7-587278-CV Issue Date: 06/09/2016

This is to confirm that the product as described below has been tested by AWTA Product Testing.

Testing was performed in accordance with AS/NZS 3837 - 1998 Method of test for heat and smoke release rates for materials and products using an oxygen consumption calorimeter.

AWTA Product Testing report number: 7-573197-CV

Date of Test: 11/06/2010

**Test Sponsor** 

The Laminex Group 332 Bay Road Cheltenham Vic 3192

Sponsor Product Reference: "Laminex Aquapanel Laminate"

Sponsor Product Description: High pressure laminate panels - unadhered Colour: White Nominal Mass: 4.4kg/m2 Nominal Thickness: 2.7mm

Nominal Composition: Multiplie layers of paper impregnated with formaldehyde based resins fused

together under heat and pressure

Product Group Number Classification: Group 3 Average Specific Extinction Area: 79.1 m<sup>2</sup>/kg

Chris Campbell Client Relations Manager

It should be borne in mind that the opinions expressed in this letter are based on a limited number of observations made on a single sample and may be subject to alteration if more detailed testing was to be carried out. We recommend that you have further testing conducted if the information above is critical to your decisions on this product.

Observations: Tests were conducted with a simulated alrgap, consisting of the sample resting on a 12mm spacer

Tests were conducted with a wire grid placed over the sample during testing This was done to contain intumescing sample within the sample holder

These test results relate only to the behaviour of the product under the conditions of the test, they are not intended to be the sole criterion for the assessment of performance under real fire conditions
