

# STYLISH GOOD LOOKS NOW COME WITH ADDED Protec+<sup>®</sup>

ANTIMICROBIAL BENCHTOP LAMINATES

More than ever, we are looking for easy ways to fight the spread of germs – and one of the biggest concerns is surfaces.

Around homes, the growth of bacteria and fungus cause health hazards.

Introducing Laminex<sup>®</sup> Protec+<sup>®</sup> antimicrobial benchtop laminates, where the protection from germs is built into the surface. So the protection won't wash off or leach out, thus protecting you and your family for the life of the surface.

Available in over 200 decors with a 7 year limited warranty.

For more information visit [laminex.com.au](http://laminex.com.au) or call 132 136.
